## Annual Summary Report - Classes Conducted for All India Bar Examination

### Introduction

Ambedkar Law College recognises the importance of The All India Bar Examination is a certification exam, conducted once a year by the Bar Council of India, for law graduates who wish to start practicing as lawyers and hence plays a crucial role in preparing students for the All India Bar Examination. Classes are conducted and study materials provided to help students develop the necessary knowledge and skills required for the examination. These classes cover various subjects such as constitutional law, administrative law, intellectual property law, company law, cyber law, and environmental law.

The object is to prepare students for The All India Bar Examination which aims to assess the basic level knowledge and analytical skills of candidates, while also laying down a minimum benchmark for entering the practice of law.

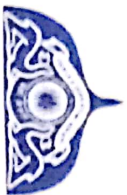

### Conclusion

The classes conducted for the All India Bar Examination play a vital role in preparing the alumni for the practice of law. These classes, along with the study materials provided, help students develop the necessary knowledge and skills required to clear the examination and obtain the 'Certificate of Enrolment'.

**Dates Conducted:** 2019-20 01 program conducted: 120 students  
2022-23 01 program conducted: 140 students

## Annual Summary Report - CET Programs

### Introduction:

This annual summary report provides an overview of the CET programs conducted by Ambedkar law college. The report will include information on the programs offered, student achievements, faculty contributions, and any notable developments or initiatives.

### Programs Offered:

We offer CET programs to provide students with valuable educational experiences and opportunities. These programs aim to enhance students' understanding of various legal concepts and develop their practical skills. Some of the CET programs offered include:

- **LLB Program:** The law college offers a 3-year LLB program, which provides students with a comprehensive understanding of legal principles and prepares them for a career in law. This program covers various areas of law, including constitutional law, criminal law, contract law, and more.

### Student Achievements:

Throughout the year, students participating in the CET programs have achieved notable accomplishments. Some of the key student achievements include:

- **Moot Court Competitions:** Students from the law college have participated in various moot court competitions, showcasing their advocacy skills and legal knowledge. These

- competitions provide students with practical experience in arguing cases and analyzing legal issues.
- **Internship Opportunities:** Students have secured internships at prestigious law firms, government agencies, and non-profit organizations. These internships provide practical exposure to the legal profession and allow students to apply their classroom learning in real-world settings.

#### **Faculty Contributions:**

The faculty members have made significant contributions to the CET programs through their expertise and dedication. Some notable faculty contributions include:

- **Teaching Excellence:** Faculty members have demonstrated their commitment to providing high-quality education by delivering engaging lectures, facilitating interactive discussions, and incorporating practical exercises into the curriculum. Their expertise in their respective fields has enriched the learning experience for students.
- **Mentorship and Guidance:** Faculty members have played a crucial role in mentoring and guiding students throughout their CET programs. They have provided academic support, career advice, and guidance on research projects, helping students maximize their learning potential.

#### **Conclusion:**

In conclusion, the CET programs have provided students with valuable educational experiences, practical skills, and opportunities for personal and professional growth. The achievements of students, contributions of faculty members, and the college's initiatives have contributed to the overall success of the CET programs. We remain committed to delivering high-quality legal education and preparing students for successful careers in the field of law.

**Dates Conducted:** 2019-20 01 program conducted: 120 students participated  
2021-22 01 program conducted: 100 students participated  
2022-23 01 program conducted: 120 students participated

## Summary Report - Career Counselling and Career Guidance

### Introduction

This annual summary report provides an overview of the career counselling programs conducted by the Ambedkar Law college. The report aims to highlight the key activities of the career counselling initiatives undertaken during the past year.

### Career Counselling and Career Guidance Programs

We have been actively engaged in providing career counselling services and career guidance programs to our students. These programs are designed to assist students in making informed decisions about their career paths, developing necessary skills, and exploring various employment opportunities in the legal field.

The career counselling and career guidance programs offered include:

- **Individual Career Counselling:** One-on-one career counselling sessions are provided to students, where they can discuss their career goals, receive guidance on career planning, and explore different legal career options.
- **Workshops and Seminars:** Workshops and seminars on various topics related to career development are in the legal field. These events cover areas such as resume writing, interview skills, networking, and job search strategies.
- **Guest Speaker Series:** Professionals from the legal industry are invited to share their experiences and insights with students. These guest speaker sessions provide valuable information about different legal career paths and help students gain a better understanding of the industry.
- **Internship and Job Placement Assistance:** Internships and job placements for students are facilitated by establishing partnerships with law firms, legal organizations, and

- government agencies. These career counselling sessions assist students in identifying suitable internship and provide guidance on the application process.

### **Targeted Outcomes**

The career counselling and career guidance programs conducted have yielded significant achievements and positive outcomes for the students. Some of the key achievements include:

- **Increased Career Awareness:** The career counselling programs have helped students gain a better understanding of the legal profession and the diverse career opportunities available to them. Students have been able to explore different legal practice areas and make informed decisions about their career paths.
- **Enhanced Career Skills:** Through workshops and seminars, students have developed essential career skills such as resume writing, interview techniques, and networking. These skills have equipped them to compete effectively in the job market and secure internships and employment opportunities.
- **Successful Internships:** The internship assistance has resulted in successful placements for many students. Students have secured internships at prestigious law firms, legal clinics, and government agencies, gaining valuable practical experience in the legal field.
- **Skill Development:** The workshops and skill development sessions equipped students with essential professional skills required in the legal field. Students gain proficiency in legal research, writing, communication, and advocacy.
- **Networking Opportunities:** The networking events facilitated meaningful connections between students and legal professionals. Students get the opportunity to build relationships, seek mentorship, and explore internship or job opportunities.

### **Conclusion**

In conclusion, the career counselling and career guidance programs have played a crucial role in guiding and supporting students in their career development. These programs have increased career awareness, enhanced career skills, and facilitated successful internships and job placements. We remain committed to providing comprehensive career counselling services and career guidance programs to our students, ensuring their success in the legal profession.

**Dates Conducted:** 2018-19 o2 programs: 180 students participated  
2019-20 01 program: 100 students participated  
2021-22 o2 programs: 220 students participated  
2022-23 02 program: 240 students participated
